

## FARMERS IN THE FIELD.

Politicians in Kansas in Much Fear of the Granger Movement.

KANSAS CITY, March 19.—The Farmers' alliance in Kansas is growing so rapidly, both in members and perfection of organization, that they have become a decidedly disturbing factor in politics. Every county nearly in the whole state is organized, and nearly every farmer in each county is a member of the organization. This thorough organization has made the order exceptionally strong. In local politics, where their immediate interests are at stake, the alliances have generally decided to support only those candidates who coincide with their views and adopt their principles. In state politics similar action has been decided upon, and it has even been proposed to run a farmer candidate for governor in the person of A. W. Smith, of McPherson. The organization has already got its finger in the national political pie. The president of the Kansas alliance has addressed to the Kansas senators and representatives at Washington a letter informing them of the feeling among the farmers that the depression in the agricultural interests is due to vicious legislation, and demanding that some attention be paid to their interests. It says the time is not far distant when legislators will heed the voice of their constituents, who are 100,000 strong in Kansas. The politicians are becoming nervous.

## WHITE CAPS GO FREE.

The Louisiana Supreme Court Decides an Interesting Question.

NEW ORLEANS, March 19.—The state supreme court in the case of the St. Landry parish regulators decided in favor of the defendants. The accused were convicted and sentenced to various terms in the penitentiary for entering the house of one Dupuchin and shooting at him with intent to kill. They appealed to the supreme court, alleging they had no other intention than dragging forcibly from the house of Dupuchin, a woman named Tillie, who was wrongfully inclined, and a disgrace to the community in which she resided. Dupuchin had interfered and one of the crowd fired a shot to frighten him, but which severely wounded him. They had no intention of doing him bodily harm. The defendants allege they belong to a band of regulators or "white caps," and that it was in pursuance of the principles of this organization that the assault on the woman Tillie was committed. The court quashed the indictment, holding the criminal offense is not complete without felonious intent.

## Johnny O'Brien Dying.

NEW YORK, March 19.—Word was received late this evening to the effect that John J. O'Brien, until lately chief of the bureau of elections, was dying at Conely Island. He is suffering with a complication of diseases. O'Brien has been before the public for the last fifteen years. As one of President Arthur's lieutenants, he occupied a prominent position in republican politics. For the last three or four years certain members of his party wished to get rid of him, and efforts were made to oust him from his position in the bureau of elections, but this was not accomplished until recently.

## Mrs. Flack on the Stand.

NEW YORK, March 19.—The wife of Sheriff Flack was a witness to-day in the case against her husband for conspiracy. She told the story, now familiar, denying that she had signed a petition for divorce from her husband, and charging forgeries of certain signatures handed to her for inspection. Among these was her own petition in the present action. The defense seeks to establish that she is and has been an inebriate.

## Stabbed By His Teacher.

PARKERSBURG, W. Va., March 19.—Berry Goff, aged 16, was stabbed and killed by Schoolteacher Morgan Rose in Clay county, Monday. Goff was late at school and the teacher punished him. Goff left and returned with his father and two other men. The quarrel was resumed and Rose stabbed Goff. A general fight ensued in which the elder Goff, Rose and several others were seriously hurt.

## Married at Missoula.

MISSOULA, March 19.—[Special.]—Tyler B. Thompson, manager of the grocery department of the Missoula Mercantile company, was married here last evening to Miss Jessie Sloane, daughter of Mayor Sloane. After a brief reception at the home of the bride's parents the happy couple left for the coast.

## Charged With Stealing a Letter.

LEAVENWORTH, Kan., March 19.—Gov. Smith and Postmaster Holloway of the Soldiers' Home, were arrested this morning on complaint of Comrade J. Barston, who charged them with purloining a letter addressed to him. They were taken before the United States commissioner and released on their own recognizance.

## Want to Pay Dividends.

NEW YORK, March 19.—In the supreme court to-morrow the trustees of the sugar trust will make a desperate effort to have removed the injunction restraining them from paying dividends. The papers were filed this afternoon.

## Train Starts on His Journey.

TACOMA, March 19.—George Francis Train yesterday started on his tour around the world, taking the steamer Olympia for Victoria, where he will connect with the Canadian Pacific line for Yokohama.

## Guilty of Gross Negligence.

BUFFALO, March 19.—The inquest on the Hay View disaster of March 6 ended to-day. The jury charged the Lake Shore management with gross negligence and holds Conductor J. W. Houghtaling directly and culpably responsible for the lives lost in the wreck.

## Rates to the Reunion.

NEW YORK, March 19.—The passenger committee of the trunk line to-day decided to issue excursion tickets to the reunion of the grand army in Boston next July on a basis of a single fare in trunk line territory.

## The Auditor Has Left.

CHATTANOOGA, Tenn., March 19.—A discrepancy of \$68,825 was to-night found between the accounts of City Auditor White and the city. It is not known where he is. His office has been declared vacant.

"Why doesn't he take Hood's Sarsaparilla?" is the general inquiry of friends when a person suffers from any disease of the blood.

**Heretofore Strength**  
Continually on the strain, or overtaxed intervals, is far less desirable than ordinary vigor perpetuated by rational diet and exercise, and abstinence from excess. Physical pugilists and athletes rarely attain old age. As ordinary vigor may be retained by a wise regard for sanitary living, and for the protection against disease which timely and judicious medication affords, so also it may be lost through prolonged sedentary labor, uninterrupted mental strain and foolish eating and drinking, the chief and most immediate sequence of all forbidding dyspepsia. For this condition, then, or in any way induced and for its offspring, a failure of muscular and nerve power, host-fetters Stomach Bitters is the prime and most general of remedies. Not only indigestion, but loss of appetite and sleep are remedied by it. Incipient malaria and rheumatism are banished, and kidney, bowel and liver complaint removed by it.

A continual coughing is very annoying to persons sitting near you in any kind of a

gathering; besides, it is of great damage to the throat and lungs, and is exceedingly dangerous at this season of the year. One-half bottle of Regge's Cherry Cough Syrup will relieve any ordinary cough, and this remedy costs no more than the inferior grades that are thrown on the market to sell at enormous profits. R. S. Hale & Co., druggists.

## Care for Piles.

Itching piles are known by moisture like perspiration, producing a very disagreeable itching after retreating warm. This form, as well as blind, bleeding and protruding piles, yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching and effecting a permanent cure. Fifty cents. Address The Dr. Bosanko Medicine Company, Piqua, Ohio. Sold by R. S. Hale & Co.

## Notice to Shippers.

A through refrigerator car on the Manitoba and Montana Central railways leaves St. Paul every Thursday. Shippers of perishable freights should notice this fact and govern themselves accordingly.

R. H. LANGLEY,  
General Freight Agent.

When you need a mild laxative you should have a medicine that will act on the liver and kidneys as well as the bowels. Regge's Vegetable Liver Pilla are prepared expressly for this purpose. Insist on getting them, as they have no superior and few equals. R. S. Hale & Co., druggists.

## SCROFULA

As the impurity of the blood which produces unsightly lumps or swellings in the neck, which causes running sores on the arms, legs, or feet; which develops ulcers in the eyes, ears, or nose, often causing blindness or deafness; which is the origin of pimples, cancerous growths, or "humors," which, fastening upon the lungs, causes consumption and death. It is the most ancient of all diseases, and very few persons are entirely free from it.

## How Can It Be CURED

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, has proven itself to be a potent and peculiar medicine for this disease. If you suffer from scrofula, try Hood's Sarsaparilla. "Every spring my wife and children have been troubled with scrofula, my little boy, three years old, being a terrible sufferer. Last spring he was one mass of sores from head to foot. We all took Hood's Sarsaparilla, and all have been cured of the scrofula. My little boy is entirely free from sores, and all four of my children look bright and healthy." W. B. ALBERTSON, Passaic, N. J.

## THE STORY OF A YEAR.

PHOTOGRAPH FROM LIFE TAKEN ONE YEAR AGO.

PHOTOGRAPH FROM LIFE AS SHE NOW APPEARS.

"Look on this picture and then on that." The above faces are exact reproductions of photographs taken from life of Mrs. Morton D. Haran, who resides at No. 55 West 25th Street, New York City. The first one was taken in November, 1887, while in the last stages of consumption, emaciated by physicians and tortured by friends. The other was taken in December, 1888, when completely recovered, and entirely through the use of Dr. Acker's English Remedy for Consumption. The above pictures are so-called, but they are true to life and the original photographs, taken from life, can be seen at all drug stores. Mrs. Haran, consumed with a cough as consumption usually does, with a cough in the morning, raising of phlegm, tired and depressed feelings, a lack of appetite, loss of flesh and pains throughout the body, she did not realize her extreme danger until it became almost too late, but she is in perfect health to-day. Dr. Acker's English Remedy for Consumption is sold by all reputable druggists. You can't afford to be without it.
